Yucca Special Bulletin — Burglary Prevention & Home Security Forum Feb. 22

Dear Yucca Residents,

It has come to my attention that our area has been experiencing a rash of home break-ins and burglaries. One of the methods of operation is for someone to knock on the front door. If no one answers, the bad guys assume no one is home, break in and steal what they can.

If someone you do not recognize knocks on your door - DO NOT IGNORE IT. Yell through the door that you will get your husband/wife/father/mother. When the bad guy hears that someone is home, he will move on. If this happens to you or you see someone suspicious, going door to door, call the Glendale police department immediately at 623-930-3000.

Information is below regarding a meeting scheduled this week to learn how you can protect yourself and your home.
